

HKVH Management Committee

Policy : Re-gifting or disposal of unsold donated items

Background

Following table top sales held at the hall, there is usually a number of items remaining unsold. The volume of such items can take up a lot of storage space, which is limited. Some of these items may be saleable while others may not. The volume of stored items could restrict our capacity to accept donations for future events.

It is noted that all items are given in good faith for the benefit of villagers, maintenance of the hall, or for such other purpose stated in the pre-sale marketing.

It was agreed that unsold items be assessed and dealt with as follows:

1. Items with a reasonable prospect of sale at a future village event be stored, accordingly;
2. Other saleable items be re-donated to other charities, such charities to be selected or agreed at the discretion of the Chair and Vice-chair;
3. Non-saleable items containing recyclable materials be sent for recycling;
4. Non-saleable items with non-recyclable materials be scrapped.
5. Villagers should be made aware that this policy via the Village Hall Notice Board.
