# *Latest news from your Parish Council*

**W**elcome to the May edition of the High Kelling Parish Chronicle. Robin Johnson and Bob Prescott, two of our longstanding Parish Councillors, have resigned from the Parish Council to have a well-earned rest. Both have made significant contributions to its work: Robin served as Chairman for a number of years and will continue to run the village Community Speed Watch; Bob, in his time, has acted as Vice-Chair. Their experience and knowledge will be sadly missed. We therefore have two vacancies on the Parish Council. Filling them will be either by a formal election or by the Parish Council co-opting. Please see the notice in this issue, the Parish Council website and village notice boards for more details. Either way, there will be an opportunity for villagers to put themselves forward for these two positions. Watch out for updates on the Parish Council website and the notice boards.

By the time you read this, Colin and Jan will be enjoying a very well-deserved retirement from managing the village store and Post Office. On behalf of the village, may I thank them for all they have done to provide us with the essentials of life. The store has been a saviour to many during the pandemic, and Colin has always managed to get our newspapers delivered despite everything. Happily, both are remaining in High Kelling with Jan as a Parish Councillor.

It would be remiss of me not to mention the great work done by John Kellas-Kelly and the rest of the Village Hall Management Committee in looking after your Village Hall, making it Covid-secure and preparing it for opening in May where once again it will become the centre of village life.

As a Parish Council, we are committed to engaging and communicating with villagers. We have a regular working party devoted entirely to this. Having looked at the responses from the village survey, we are working on a number of ideas including not only improving communication but also a village celebration, showing our appreciation to our NHS, planting and enhancing the village, not to mention safety on the A148. On the subject of communicating itself, The High Kelling Parish

Chronicle seems to be well received. A big thankyou to Cllr Susan Rutherford and Susan Ruru, as well as Cllr Duncan Henderson and all the deliverers who ensure it reaches you.

Our Great British Spring Clean event is scheduled for Sunday 30<sup>th</sup> May, 10:30-12:00 noon. This is when your Parish Councillors and volunteers from the village litter-pick the whole village. If you can help, please email me. Because of Covid, this year we may well not be able to borrow the usual equipment from the District Council. We hope to overcome this, but if you wish to attend it's best to register with me so I can keep you up to date. The only equipment we need volunteers to provide themselves are a pair of gardening gloves, suitable footwear and clothing (a hi viz jacket if you have one). If there is a First Aider out there.....?

**Don't be left out! Don't forget that to be included in the next High Kelling Directory and to receive village matter emails, please return the form in this copy of the Parish Chronicle.**

**On our website you will also find a briefing note from the NHS on what is happening in North Norfolk and Waveney with lots of useful Covid-relevant information on vaccinations, changes to hospital visiting, coping help for children and young people, and mental health in general.**

The next planned meeting at 7pm on 4<sup>th</sup> May is both the Annual Parish Meeting and Annual Parish Council Meeting, and is earlier in the month than usual. It looks as though this will be our last Zoom meeting. After which, subject to any changes in Covid regulations, meetings will revert to the Village Hall. If you wish to raise anything and/or attend please contact the Parish Clerk.

# *High Kelling Tree Preservation Order*

The High Kelling TPO covers all residential areas in High Kelling and was confirmed by North Norfolk District Council for the **whole** of High Kelling in May 2016 (Reference Number TPO/16/0917). The full order can be found on the NNDC website: Planning and Design section at <http://acolnet.north-norfolk.gov.uk/Trees/>

The Area TPO protects all the trees in High Kelling. A 10-year review is written into the order. It does not stop appropriate works.

An application (no fee) can be made and advice is given about the best course of action from Simon Case at NNDC. Some applications can be dealt with by email without a site visit being necessary. Most applications take around 3 weeks. By law they must be dealt with in 9 weeks.

Appropriate pruning of fruit trees is allowed.

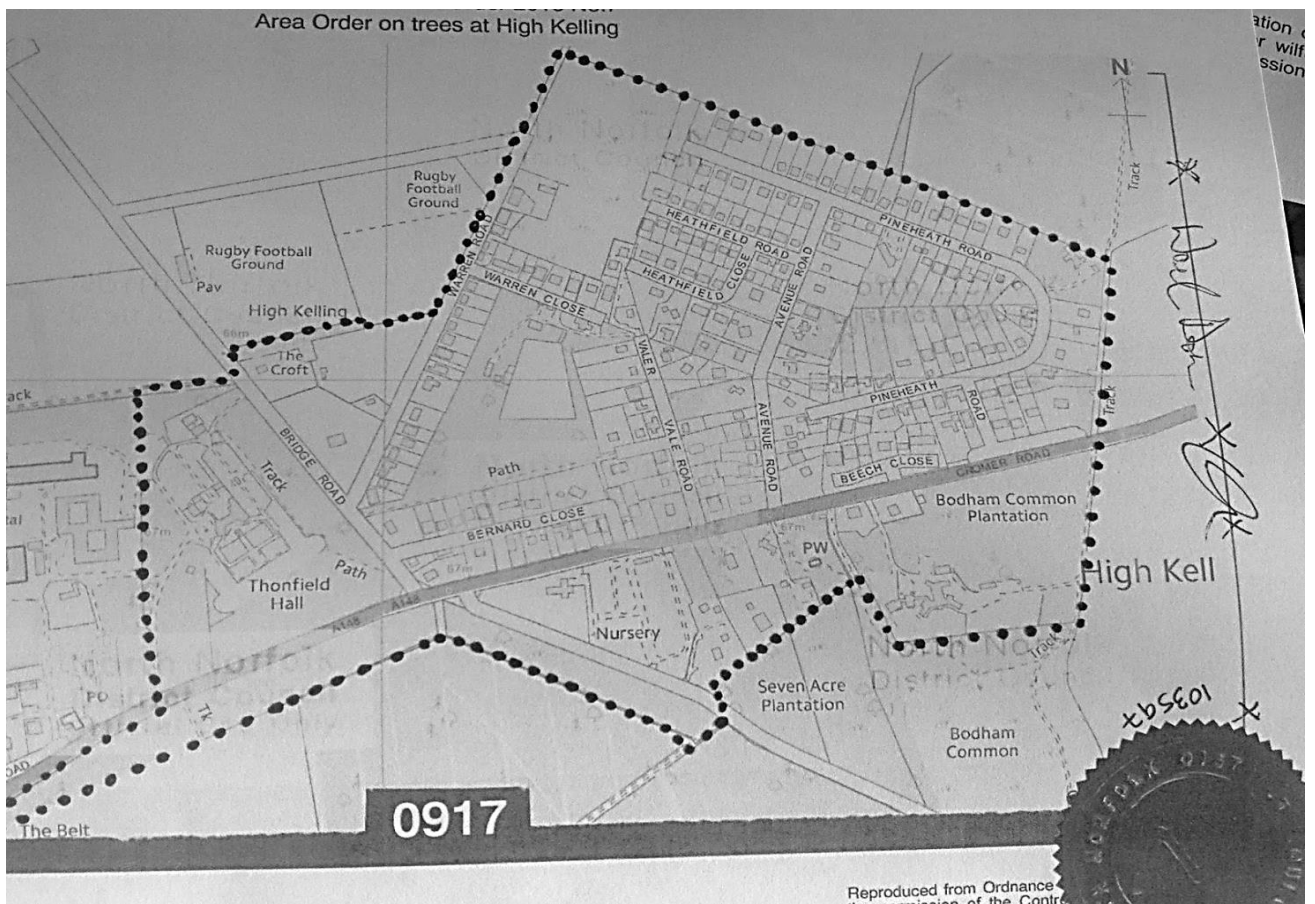

Dead branches and dead trees are not covered by the TPO.

The TPO does not stop thinning of trees. An application can be made and advice would be given on thinning and replanting.

A 'tree' includes saplings which will grow into a tree, but in practice it would cover trees with a trunk over 3 inches in diameter at waist-height.

Hedges and shrubs are not covered by the TPO.

Protection of trees is a planning issue and has to be accommodated in the development of properties. If you wish to carry out work on trees within High Kelling, further information and an application form is available on the NNDC website <https://www.north-norfolk.gov.uk/tasks/conservation/how-do-i-apply-to-carry-out-work-to-protected-trees/>

## Offshore Wind Turbines

There are three major areas of activity on the Offshore Power Generation front that affect High Kelling and are gaining pace:

1. Hornsea Project Three. By now many of you will have received a copy of the April 2021 Community Newsletter from Oersted on the Hornsea Project Three (HP3) Offshore Windfarm. HP3 was approved for development on 1<sup>st</sup> Jan 2021, and Oersted have not wasted time in initiating the land acquisition needed for the onshore cable run, as evident from a number of Planning Notices around High Kelling, already noted in February's Chronicle. The Newsletter makes no mention of the Offshore Transmission Network (OTN), but whether the OTN will have some influence to bear in time remains to be seen. If you don't receive the Newsletter but would like to, just drop an Email to [HornseaProjectThree@orsted.co.uk](mailto:HornseaProjectThree@orsted.co.uk).
2. Sheringham Shoal and Dudgeon Extensions. Following the circulation in early March of Equinor's February Community News-

letter, your Parish Council submitted concerns that none of the concerns and requests that we had been making over the previous months had been taken into account nor even appear to have been considered, specifically: a) the widening of the scoping area for the cable routing, bringing the possibility of it following a route close to the Hornsea Project 3 route parallel to Pineheath Road, and b) committing to embracing the OTN project for a better onshore transmission solution. This Extensions Project is still in its pre-approval stage and is roughly around a year and a half behind Hornsea Project 3, so should still be open to amendment. We shall keep trying. Your Parish Council will be represented at their Online Stakeholder Forum later in April so we shall report back in the next Chronicle.

3. Offshore Transmission Network Review (OTNR). In July 2020, the Government recognised that, with the commitment to a zero carbon policy to energy generation by 2050 and the resulting acceleration of offshore generation capacity that would be needed, traditional transmission methods that had previously been assumed to be appropriate would not be compatible under the new regime. In other words, there has to be a better way to bring power ashore and to the National Grid than digging a separate trench and laying separate cables for each new windfarm. The OTNR was launched under the Department for Business, Energy and Industrial Strategy (BEIS) and covers four areas, or workstreams, namely: near term, medium term and long term opportunities for a coordinated approach across contractors; and the early introduction of Multi-Purpose Inter-connectors to allow offshore grouping of different windfarm outputs. National Grid Electricity System Operator (ESO) works across all four workstreams to ensure a co-ordinated approach to these four offshore workstreams. The benefits of their efforts were clear from our report in the February Chronicle on their Offshore Coordination Project Phase 1. We are fortunate in that the five MPs for areas affected in Norfolk and Suffolk are united and active at Government level in their support for the OTNR and our own MP Duncan Baker will be joining our next Parish Council Meeting to brief us on progress from his own perspective. We should be able to report back on this in the May Bulletin.

So a lot of activity is building up and there is much more information out there on the various bodies' websites and in their publications. Whilst Offshore Renewable Energy is the right way to go and is being pursued by the Government with vigour, if you have any concern for your countryside, be heard and voice your thoughts to Equinor, Oersted, the National Grid, Vattenfall and all similarly involved organisations to encourage them to embrace Offshore Transmission Network and modify their approaches accordingly. Copy your communications to your local MP Duncan Baker, to NNDC Major Projects Geoff Lyons, Norfolk Council and NNDC Leader Sarah Butikofer, even the Secretary of State for BEIS Kwasi Kwarteng. You may feel you're at the bottom of the chain but local opinion does matter, does have impact and is taken note of; all the way up to the Top.

John Mangan

## Your village **Table Top Sale** is coming\*

Once again we ask for your help in donating items that you no longer need. All proceeds will go towards the maintenance and improvement of the village hall.

**Bric-a-brac** – any household items (ornaments, pictures, mirrors, cooking pots etc)

**Garden items** (terracotta pots, ornaments, plants etc)

**Books, DVDs, CDs, Games, Video games, jigsaw puzzles, toys etc.**

Please contact:

Ruth Wilson 25 Avenue Road. Tel 712568

John Kellas-Kelly 2 Heathfield Road. Tel 712119

\* Date to be announced.

# News from Your Village Hall

The Village Hall's first event of 2021 is almost upon us. And it's one that I'm sure most of us have been looking forward to for some months now. Yes indeed, Polling Day is here! For those not availing themselves of postal voting, the Hall will be operating as a Covid-secure Polling Station on Thursday May 6<sup>th</sup>.

We're due to recommence regular (albeit Covid-ruled) operations on Monday 17<sup>th</sup> May. Do pop along on that Monday afternoon for socially distanced Bingo at 2pm with "at table" refreshments.

Friday 21<sup>st</sup> May should see the return of Pub Night from 7pm. Again, at table service will continue until the rules change at Step 4 of the Government's road-map.

We're still looking to help unburden villagers of their unwanted treasures please. That Ming vase you're finding onerous to dust, the Turner that really doesn't look right in the bathroom, or the set of Meissen figures cluttering the mantle-piece – all gifts to our Table Top sales are most welcome. If you do have items for us, please

Is returning on  
**Monday 17<sup>th</sup> May 2021**  
In the Village Hall  
**2.00 p.m.**

*We look forward to seeing all the usual faces plus (hopefully) some new ones.*

*So join us for fun, chat and refreshments*

All Covid requirements will be in operation

contact Ruth Wilson on 712568 or myself on 712119.

The winners in April's monthly draw were; 1<sup>st</sup> prize of £23 to Sean Doran, 2<sup>nd</sup> Keith Usher £15, and Alan Taylor took the 3<sup>rd</sup> prize of £10.

**The Annual General Meeting for the two years ending 31<sup>st</sup> March 2021 will be held on Friday 9th July at 2pm.** The business side of the meeting should not take long, but we'd be delighted for you to attend and perhaps linger and chat over the refreshments that we will provide. In order that we can cater appropriately, please email, phone or complete the mini form below and drop it in to me or the Hall. Thank you.

Keep safe and let us all hope that we're returning to a more open social structure.

Kindest regards,

John Kellas-Kelly

# *High Kelling Directory*

Dear Resident,

High Kelling Parish Council are producing an updated copy of the High Kelling Directory for 2021.

If you want to have your details included in the Directory, then please read the High Kelling Privacy Promise below. If you are in agreement, please complete the form on the next page and return it in an envelope addressed to High Kelling Parish Clerk via the Village general store or High Kelling Village Hall rather than the post office counter. If you wish to have your form collected, please contact Jane Wissen who will arrange for a Parish Councillor to do so.

## **Consent and the HKPC Privacy Promise**

### **HIGH KELLING PARISH COUNCIL**

**Parish Clerk - Ms Jane Wisson [highkellingclerk@gmail.com](mailto:highkellingclerk@gmail.com)**

We need to advise you exactly how we will process your data and how it will be stored.

The Council is the data controller, and the Parish Clerk is the data processor and the data protection officer. Contact details for the Parish Clerk are as detailed above.

We will always treat your personal information with great care and according to your wishes. The purpose for processing the information is for the High Kelling Directory which is delivered to all householders in the Parish of High Kelling.

The source of our information has come from you. As a data subject, you have detailed rights including: right of access to your own personal data, right of correction, erasure and to object to processing, and the right to lodge a complaint with the Information Commissioner (the ICO).

Please advise us if you change your mind at any time about our holding this information.

**Services at All Saints:** Sunday 9.15am Said Eucharist

For services at the Parish Church please see the church notice board or visit  
[www.holtchurch.org](http://www.holtchurch.org)

Dear Friends,

As restrictions are lifted and life begins to adapt to a new normal, so we begin to think about making plans for the months ahead. While our churches may have been closed for public and private worship at times during the past 12 months, the life of the church has continued. The daily rhythm of prayer and worship did not cease and we look forward to the day when we won't need to reserve a place for Sunday worship or limit the number of people attending. However, while worship continued, other things had to be put on hold and we have much ground to make up. We look forward to being able to eat and drink together and chat together and explore new ways we can serve the community.

As we re-group and rebuild, we also need to recruit new volunteers to help maintain and sustain the life of the church. There are always opportunities to be involved in church life, from committees, to reading or leading prayers in church, re-enacting bible stories in school, fund raising, catering, serving the community, and visiting, to flower arranging and gardening. You can get involved even if you don't attend church. Offers of help to look after our church grounds would be greatly appreciated, or even making the best of your creative talents by arranging flowers! All offers gratefully received. There still is a degree of uncertainty about the months ahead and our return to normality will not be a stampede or even a rush, rather a gradual and gentle return as we seek to live out our Christian calling to love God and to love our neighbour as ourselves.

Warmest regards, Fr. Howard

## **THE FEAST OF THE ASCENSION OF THE LORD:**

**Thursday 13<sup>th</sup> May 7pm Sung Eucharist at St Andrews. (booking essential)**

**COVID RESTRICTIONS UPDATE: PUBLIC WORSHIP & PRIVATE PRAYER.** Public worship has resumed at the Parish Church and All Saints (booking on Sunday is essential)

All Saints is open on Wednesday & Sundays for private prayer.

**LIVE STREAMING:** Services from the Parish Church are streamed live via YouTube on Sunday at 10.30am. Check our website for more details and access to our YouTube channel.

**DAILY HOPE & JOY Tel: 0800 804 8044** A FREE Church of England phone line of hymns, reflections and prayers.

**PASTORAL HELP LINE 07393559028** available to all who feel isolated, anxious, or alone.

# **NOTICE OF VACANCY IN OFFICE OF COUNCILLOR**

## **Parish of High Kelling**

### **NOTICE IS HEREBY GIVEN**

That **two** casual vacancies have arisen in the Office of Councillor for the Parish Council.

If by 6 May, 2021 (14 days excluding Dies Non, after the date of this notice) a request for an election to fill said vacancies is made in writing to the Returning Officer at the address below by TEN electors for the said Parish, an election will be held to fill the said vacancies, otherwise the vacancies will be filled by co-option. Where a written request for an election is being made, the signatures of the ten electors should be accompanied by the printed names and addresses, so that the Proper Officer can check the validity of the request.

If an election is called, it will take place not later than 9 July, 2021.

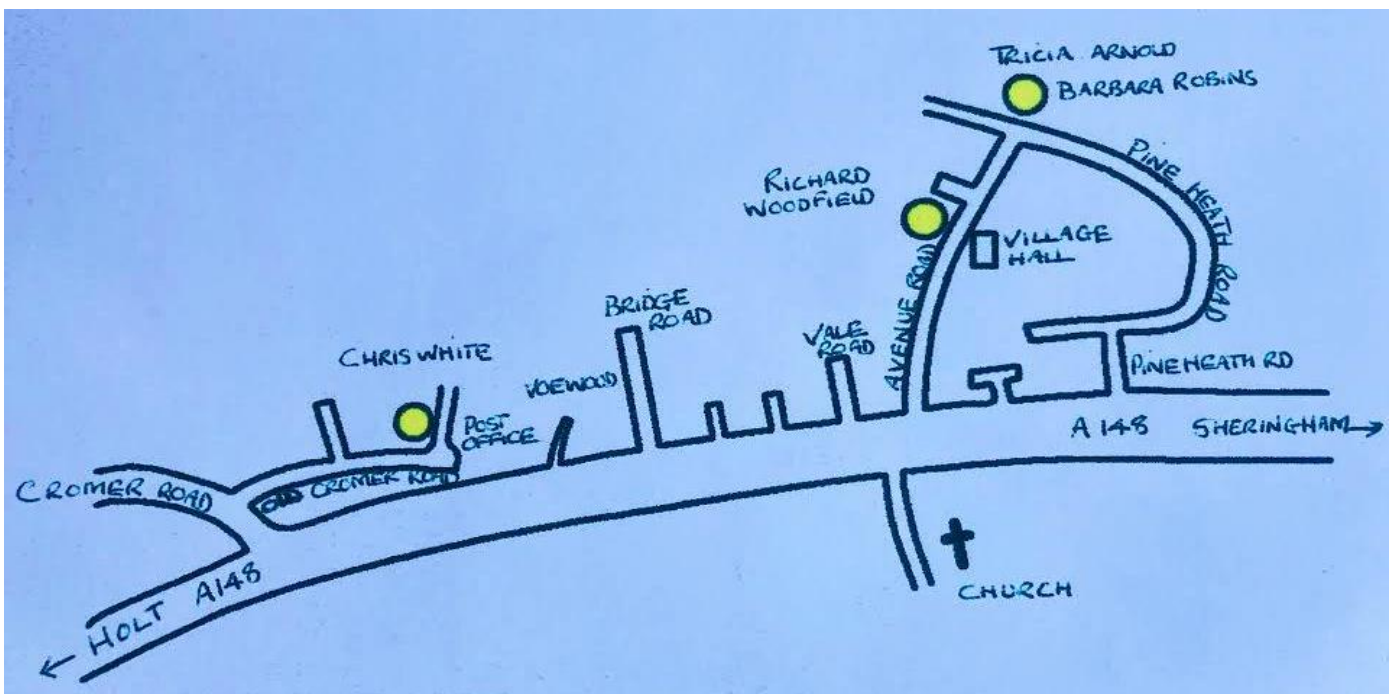

Dated 15 April, 2021

Steve Blatch  
Returning Officer, Electoral Services  
North Norfolk District Council  
Holt Road, Cromer  
Norfolk NR27 9EN

## Out and About

Between 29<sup>th</sup> May and 6<sup>th</sup> June, artists in North Norfolk will be opening their studios to the public. This is an offshoot of the larger Norfolk Open Studio scheme that will be operating once again later in the year.

Chris White, Tricia Arnold with Barbara Robins, and Richard Woodfield will be opening their studios in High Kelling (see map) as a local artist's trail. Details of their work, and other participating studios in North Norfolk, will be included in a free brochure that will be widely available at the beginning of May. All work will be for sale and the artists look forward to seeing you in their working environment.

# *What has Been Happening in our Village*

## *Speed Watch*

**W**E'RE BACK!

High Kelling has no doubt noticed that our Community Speed Watch (CSW) teams have been absent during the worst of the lock-down. But as from the 5<sup>th</sup> April, when meetings outdoors of six people became legal, activities have resumed.

CSW is run under the auspices of the Norfolk Constabulary – now somewhat merged with Suffolk. Organised on a parish by parish basis, teams are provided with a radar speed measuring ‘gun’ and other bits and pieces so that they may patrol the highway and report back to the Police if offenders exceeding the speed limit are detected.

A team of three or more volunteers turn out, usually for one hour at a time. It is a Police requirement that team members each wear a yellow hi-viz jacket of approved pattern and that notices are put out at a distance of 100 yards or more on each side of the monitoring site. Before joining a team, volunteers’ are checked by the Police for any criminal or such records.

The members of the team are volunteers and have no powers to take any legal action except to file a report with Norfolk Constabulary at the end of each session with details of the offenders detected. The information provided is the registration number, the colour, the make and model of the car, van, lorry or whatever, the time of the observation and the speed detected.

The Police then check the details – especially to double check that the vehicle details correspond with the national database – and if all is correct a letter is sent to the registered owner of the offending vehicle. Repeat offenders should get a visit from a uniformed policeman to be told the error of their ways.

CSW has no enforcement powers, and it has to be admitted that in High Kelling where the team and their notice boards are all too visible, during a monitoring session very few offenders are seen. But this is the point – the speed limit is largely observed while the team is there. What is more, the team do get noticed and word goes round that we have a CSW team here and maybe some understanding follows that High Kelling is a place where keeping to the speed limit is important.

Anyone interested in joining our team should please contact Robin Johnson on 01263 712490 or robert@robandjan.plus.com.

## *The Humble Toads Have Come and Gone*

**O**ur February edition ran a short piece describing the annual antics of toads when it comes to the spawning time and the strange (to some) antics of a band of volunteers who arm themselves with buckets, wellies, hi-viz jackets and torches, and spend a few hours after sunset helping the toads across the road at Selbrigg Pond rather than leave them to become victims of unforgiving car and van tyres.

Well, the migration is now over and we can report that 5603 toads, 195 frogs and 58 newts were saved from the traffic with only 61 toads and 1 newt recorded as casualties over the period.

Once again Selbrigg ranked as the highest scoring patrol in Norfolk and, I'm told, one of the top five in the country. Toads are on the decline in the UK so this is a very worthwhile activity and a chance to do something for the wildlife. It will happen again next year so if it appeals to you, don't be backward about coming forward!

John Mangan

# *From Villagers to Villagers*

## *High Kelling Village Sign I*

The village sign has been removed by the PC for refurbishing.

Thank you to the two observant villagers who rang to report “two shifty looking people” taking down the sign in case it was maybe being stolen.

Good to know that people are on the lookout for anything out of the ordinary.

## *High Kelling Village Sign II*

The High Kelling Parish Chronicle received a telephone call from a High Kelling resident regarding the history of the High Kelling sign at the entrance to the village. She clarified that the design was the result of a competition in the village which she, Gill Baker, won. She also pointed out an interesting fact that the serpent on the post of the sign referred to when High Kelling was a hospital for patients with TB.

## *Item for Sale*

### **EPSON Multipack 603**

Ink cartridges for Epson printer. Recently purchased and unopened due to printer being returned and cartridges no longer required.

**Price on Cartridge People’s website is £32.79. Buy for £25.**
