From your Parish Council

I am pleased to report two new Councillors have joined your Parish Council: Niki Doran (Warren Rd) and Maureen Pearman (Pineheath Rd). This brings us up to the full quota of nine councillors.

At the Parish Council meeting on 21st September, I formally signed on its behalf the Armed Forces Covenant. This is a commitment by the Council to support the armed forces community, recognising the value of regular and reservists, veterans and military families to our Country. This provides for special consideration to their needs, where appropriate. A copy of the Covenant can be found on our website.

Dovetailing nicely into this was a very interesting presentation by John Hancock on the support to veterans and other military personnel provided by his Holt Woodland Archery and Airgun Club. The Monday morning session is devoted to ex-forces and police personnel. These participants welcome the opportunity to belong to a club with like-minded colleagues and funded by voluntary contributions to the cost of the sessions. This proves extremely helpful for those who may be suffering from stress and depression. Several disabled shooters also participate. The Club is very mindful of protecting and encouraging wildlife. There are plans to plant along the boundary with the A148 to brighten up the area and for planting more trees. John explained that great care is taken to ensure all their activities are carried out safely, exceeding the requirements laid down. The Club is run on a not-for-profit basis; it has no plans to increase in size.

Your Parish Council is planning a bid for its own Sam2. Currently it shares the existing one with a number of neighbouring parishes, only having its use for around eight weeks each year. The Sam2 flashes the speed where vehicles travelling along the A148 in the village exceed the speed limit with a 'slow down' sign. We have been discussing with Norfolk County Council additional road markings, but these are centrally controlled by regulations.

Other issues being progressed include planting on the A148, a High Kelling calendar, a bench in the woods rear of the north side of

Pineheath Rd, a textile bank in the village, a second defibrillator near the Village Store, the proposed Offshore windfarms, a Welcome Pack for new villagers, and help with Afghan refugees' resettlement in Norfolk - see separate article.

Date for your diary: Having acquired for the village our own litter picking equipment, we will be undertaking an end-of-summer litter pick on **Sunday 17th October**. Meet at the Village Hall, starting 10:30am, finishing at 12:00 noon. If you can join us, please wear suitable clothing, footwear and gardening gloves. We will provide the rest. It would be helpful if you will let me know if you are attending.

As always, please see our website for the most up-to-date information on the above and other matters. Our next planned meeting is at **7pm on 16th November** at the Village Hall.

Parish Council Meeting Issues arising from the Meeting on Tuesday 21st September 2021

* Two new residents were co-opted onto the Parish Council: Niki Doran and Maureen Pearman. Both bring a wealth of experience to the team and are very committed to contributing for the benefit of residents. Profiles for them both will feature in a future HK Chronicle.

* We welcomed Cllr Eric Vardy from NCC who raised awareness about the NNDC's new Housing Strategy for 2021 to 2025 which has now been formally approved. Cllr Vardy also raised matters of fire safety as set out in the Chronicle. He also indicated he was looking at measures to make crossing the bridge on Bridge Rd safer.

* Mr John Hancock was welcomed and he provided an overview of the

Holt Woodland Archery and Airgun Club, highlighting the significant contribution towards health and wellbeing it was affording individuals and communities such as Veterans.

* There were no planning applications to consider.

* It was proposed that HKPC purchase a SAM2 camera in 2022/2023 as the current shared system is not available often (eight weeks out of 52 weeks) and is also positioned in the middle and towards the Holt end of the Village. The Parish Council want the Bodham end of the Village to benefit from the same impact. Having our own SAM2 would increase coverage by 6 1/2 times. Funding opportunities will be pursued as appropriate.

* NCC Highways are not cutting verges as much as in the past so as to encourage natural habitat. If you spot any issues please, contact David Carter, Chair, High Parish Council, davidcarts@gmail.com. The PC will liaise with Cllr E Vardy who will raise concerns, as appropriate.

* Following the success of commissioning the High Kelling Map, HKPC will be producing a Calendar for 2022 "Drawn to High Kelling and Norfolk" made up of pencil images created by our own resident artist, Richard Woodfield. More information to follow.

* We have now contacted the Forestry Commission about placing a bench in the woodland walk behind Pineheath Rd. We are also taking advice from them about materials to be used.

* Planters in the Village are on track for October/November 2021.

* A Welcome Pack for new residents is now finalised. Any residents who are new to High Kelling are welcome to request one from David Carter or Jane Wilson.

* The Parish Council has revised and signed up to the Armed Forces Covenant and are committed to ensuring that no member of the Armed Forces Community should face disadvantage in the provision of public and commercial services compared to any other citizen.

* The telephone box will house a new defibrillator. If you have any other thoughts about the use, please contact any of your Parish Councillors.

Afghan resettlement, how we can help.

A number of Afghans are being resettled in Norfolk by the County Council with the support of all district councils. This includes people and their families who supported our military and other evacuees. The support includes housing and assistance to help them establish their new lives in this country, as well as school places for children, physical and mental health support, learning English and helping to find jobs. Government grants are helping to fund this.

There are ways we can help:-

Volunteering or donating at www.gov.uk/help-refugees

*Urgently needed are furniture, beds, new mattresses, curtains, free standing kitchen appliances such as cookers, fridges, toasters, microwaves, washing machines

*TVs, DVD players and set top boxes

*Garden tools

If you can't get items to their Norwich collection point, please check out our web site www.highkellingpc.info, or contact me as the County Council are hoping to arrange collections. There may be a delay in this being put in place so please bear with us.

Also,

*Gift vouchers to help buy above items

*Food and toiletries can be donated to local food banks

You can donate money to the Bishop of Norwich's refugee relief fund at www.dioceseofnorwich.org, by bank transfer to the Bishop's Refugee Fund: sort code 20-62-61, account number 30674508, account name 'NORWICH DIO', or by cheque to NDBF Ltd, with a note that it's for the Refugee Fund, to 109 Dereham Rd, Norwich, NR9 5ES.

Clothing: The charity, Alive UK in Norwich, are collecting clothing but have been overwhelmed with donations. This may well change. Please check out our website for the latest information.

Please note this information was accurate as at 21st September. Updates will appear on the Parish Council website or go to www.gov.uk/help-refugees

The Armed Forces Covenant

An Enduring Covenant Between

**The People of the United Kingdom,
Her Majesty's Government
and**

**All those who serve or have served in the Armed Forces of the
Crown
And their Families**

The first duty of Government is the defence of the realm. Our Armed Forces fulfil that responsibility on behalf of the Government, sacrificing some civilian freedoms, facing danger and, sometimes, suffering serious injury or death as a result of their duty. Families also play a vital role in supporting the operational effectiveness of our Armed Forces. In return, the whole nation has a moral obligation to the members of the Naval Service, the Army and the Royal Air Force, together with their families. They deserve our respect and support, and fair treatment.

Those who serve in the Armed Forces, whether Regular or Reserve, those who have served in the past, and their families, should face no disadvantage compared to other citizens in the provision of public and commercial services. Special consideration is appropriate in some cases, especially for those who have given most such as the injured and the bereaved.

This obligation involves the whole of society: it includes voluntary and charitable bodies, private organisations, and the actions of individuals in supporting the Armed Forces. Recognising those who have performed military duty unites the country and demonstrates the value of their contribution. This has no greater expression than in upholding this Covenant.

News from Your Village Hall

Well, I do hope that the Macmillan Coffee Morning was a huge success. With the tremendous work put in by Lyn Morgan and the team of ever-willing volunteers for this hugely worthwhile cause, I'm sure all went well. I always seem to be writing about the main events just before they're about to happen – now I know how Nostradamus must have felt.

The hall bookings are gradually creeping toward their pre-Covid levels and it's very encouraging that we are receiving new booking enquiries almost every week. Unfortunately, the hall is thriving such that we're unable to offer prospective hirers regular weekly slots, so we're more often than not unable to help – the hall has become a victim of its many years of success.

This month's hall-sponsored events are shown below. Please do come along and give your support. I'm sure you'll enjoy yourselves.

Fri 8 th	Pub Night	19:00 – 22:00
Mon 18 th	Bingo	14:00 – 16:00
Wed 20 th	Coffee Morning	10:00 – 12:00
Fri 22 nd	Pub Night	19:00 – 22:00
Sat 30 th	All Saints Church Gift Day	09:30 – 12:00

We're hoping to have a Food & Drink Raffle at our Christmas Craft and Gift Fair on 20th November. Please give me a call or drop me a line if you'd like to contribute.

The winners in September's monthly draw were: 1st prize of £23 to Alan Taylor, 2nd Phil Otty £15, and Dave Summerfield took the 3rd prize of £10. If you wish to join, please contact Alan Mason (Cartref, Heathfield Close – 711357)

Dear Friends,

Our Harvest Thanksgiving on Sunday 10th October sees the launch of Eco-Church in the parish. What is Eco-Church you may well ask! Well, it is an award scheme for churches who want to improve their environmental impact in order to demonstrate that they care for God's earth. At a time when we all need to examine our lifestyle and the effect we are having on the environment, the Church seeks to review how we manage our church buildings, our land, and how we engage with the local community, as well as global environmental issues. The consequences of climate change and the detrimental effect we have on the natural world affects us all. Our current lifestyles are not sustainable and we are all challenged to conserve the worlds resources, find alternative environmentally-friendly sources of energy, protect the environment, care for others and for wildlife, and to live differently. The time to act in order to make a difference and leave a world fit for future generations is now. Christians believe the world in which we live is a gift from God and as such we are called to care for and look after that gift as best we can. I wonder how eco-friendly is your lifestyle? We can all make a difference, even if you feel it is a drop in the ocean. As someone once said, the ocean is made up of droplets!

Kindest regards, Fr. Howard

HARVEST THANKSGIVING: Sunday 10th October. “The Land has yielded its harvest, God, our God has blessed us.” Gather to give thanks for all that we have. Sunday morning services as usual and also Harvest Evensong at the Parish Church in Holt at 5.00pm. Donations of non-perishable food are invited for the Holt Food Bank and financial gifts for YANA “you are not alone,” an East Anglia charity helping those in the farming industry who struggle with mental health issues.

COFFEE AND CHAT: Tuesday 12th October 10.30am – 12noon at No 2 Heathfield Road courtesy of Janice and John Kellas-Kelly. All are welcome to drop by for coffee and chat.

PARISH GIFT DAY: Saturday 30th October. I am grateful to the High Kelling Chronicle for agreeing to include a gift envelope in this edition. Should you wish to contribute to the upkeep of All Saints, the envelope may be returned to the collection point outside the village hall between **10am – 12noon** or c/o Ann Alborough at No 4 Pineheath Road or John Kellas-Kelly at No 2 Heathfield Road. Anything, you can give, no matter how small a donation, will help maintain and sustain the Church in High Kelling and will be very much appreciated and gratefully received. Thank you.

ALL SAINTS PATRONAL FESTIVAL: Sunday 31st October. Join us at 9.15am as we celebrate our dedication festival and/or come along at 12.30pm to a bring and share lunch in the village hall.

HOME VISITING: If you would welcome a visit from the parish clergy or a lay member of our pastoral team please contact the Rector, Fr. Howard

Our Macmillan Coffee Morning on Friday 24th September raised a magnificent **£948.16**

I would personally like to thank everyone who made a delicious cake or supplied a superb raffle prize. They were all amazing.

Also I couldn't have managed the morning without the help of so many villagers. The ladies in the kitchen, those collecting donations and of course the raffle organisers. A special thank you must go to Alan Humphreys for arranging his own stall selling his hand made bug boxes and garden signs, all proceeds went to Macmillan. Also to Oscar Haynes for donating the money from his apple sales to Macmillan.

Finally, can I thank you all for attending and making it a very special morning and for being so generous for this wonderful charity.

With Love

Lyn Morgan

COULD YOU SAVE A LIFE ????

DEFIBRILLATOR TRAINING.

At the end of August at the village hall, eight local residents attended a training course run by Norfolk Accident Rescue Service (NARS)

The volunteers were introduced to an unconscious patient with the aid of a dummy called Anne, and having established that the victim was not breathing, and having made all important safety checks, they were shown how to administer CPR (Cardiopulmonary Resuscitation), together with the aid of a defibrillator.

The volunteers, some attending for the first time and others on a refresher course, were..Diana Evans, Caroline & Glenn Houchell, John Kellas-Kelly, Margaret & Graham Harris, Joy & Gordon Lane.

Such was the positive interest in this course that another has been arranged for

Following the surprise announcement in the HK Chronicle, not intended by us, of my 80th birthday celebrations in July, I would like to thank all friends, family and neighbours, especially those who kindly furnished and decorated our very sunny garden on the day, for all my cards, gifts and good wishes.

Wonderful having our daughter Caroline and little dog Bertie here to share the occasion, both helping Valerie with party preparations and spoiling us with many treats and enjoyable outings.

Whilst our New Zealand family unfortunately were unable to be with us they were definitely with us in spirit!

Thank you all once again for sharing and making my day so very special!

Did You Know?

Health Watch visited Holt Surgery unexpectedly to gather comments about the Surgery and their care. The result of the survey was that staff attitude was rated almost entirely at 5/5, with most people being very happy with the Surgery, staff attitude and quality of care. This is against the backdrop of all the challenges. Waiting times on the phones should be improving.

So congratulations to everyone, and we are so fortunate to have such a highly rated service available to us all.

How to get fire safety advice

The County's fire service has suspended their frontline firefighters from providing home fire safety visits to keep vulnerable people safe to allow firefighters to respond to emergency calls.

They will however continue where absolutely necessary and there is a high risk of fire.

For any other home fire safety advice or guidance, safety officers are available to give advice over the phone on 0800917813 or email hq@fire.norfolk.gov.uk.

There is also a useful information video on YouTube.....Stop the clock - make your home safer.
