All cleaned up and good as new!

From your Parish Council

Welcome to the September issue of the High Kelling Parish Chronicle. There wasn't a Parish Council meeting in August but still a few issues to report on.

After over 50 years, the High Kelling Society was formally wound up at its AGM on 23rd June, with it generously agreeing a donation of £500 for future upkeep and planting at the Village Sign. Ex-members of the Society are also hoping to continue its maintenance on an ad hoc basis. This complements the recent Parish Council funded refurbishment of the sign. First erected on 20th October 2000, it is now back in place in its full glory! A big thank you to the Society and all concerned.

Your Parish Council has confirmed its interest in acquiring the shortly to be redundant phone box adjacent to the Village Store. Our initial thoughts were an information point for villagers and possibly a second village defibrillator because of its prime location. With the latter idea in mind, the High Kelling Society has kindly also donated £1,000 for the purchase of the defibrillator. I'm sure you will join with me in thanking the Society for this further donation.

Since our last report, extensive pothole and road repairs have been carried out in Bridge Rd, especially alongside the grass verges. Also, the Anglian Water small manhole at the junction of the A148 with Vale Rd, mentioned in the last issue, has been attended to. This involved closure of one lane of the A148. One issue I intend to raise at the next Parish Council meeting was the use of traffic lights serving only traffic on the A148 for this latter repair. These lights were not visible from Vale Rd. A third set of lights controlling access onto the A148 would have made it far safer, especially when turning left. Earlier notification of work likely to affect traffic flow would also greatly help villagers. Something we will take up with the relevant authorities.

I hope, like my fellow Councillors and myself, you made it to the Village Hall Table Top Sale on 21st August. Great to see our Hall once more hosting events. Big thank you to John Kellas-Kelly and fellow Management Committee members, with special thanks also to Ruth Wilson for all her work.

Last, but by no means least, interviewing the two candidates who have applied to be co-opted onto your Parish Council is taking place at the end of August.

A New Map of High Kelling

The Parish Council is delighted to have commissioned a new map of High Kelling from the brilliant artist Richard Woodfield. He has produced a wonderful commission for us and really captured the essence of this beautiful village. We will be using this map for many purposes including when we welcome new residents to the Village. We would like to extend our grateful thanks to Richard for this very special work which will be used for many years to come.

“THE GREAT HIGH KELLING VILLAGE PLANT UP”

The Parish Council is absolutely delighted to announce a very positive collaboration with Hugo Middleton and his team at the High Kelling Village Store

**TEN PLANTED UP WOODEN PLANTERS WILL APPEAR IN
HIGH KELLING THROUGH OCTOBER/NOVEMBER 2021**

**The planters will contain seasonal planting and bulbs for
spring.**

**See if you can spot them when they appear and record their
locations. When you have identified them all email Cllr
Rutherford at Susan@rutherford.world. The first resident to
email will win a surprise hamper!!**

**We have had our first anonymous donation towards the Great
Village Plant Up so if you particularly want to sponsor or adopt
a pot, please contact Susan@rutherford.world before the end of
October 2021.**

News from Your Village Hall

Despite the distinctly non-summery weather we're experiencing as I write these notes, there was a very bright and lively atmosphere in the hall today as we welcomed a stream of friends and visitors to our Table Top Sale. Our heartfelt thanks go to the myriad of helpers and Ruth Wilson's splendid organisation. All went very well; people really enjoyed themselves; and the format of the event gives us a model to tweak for the future. A special note of thanks too to Hayley and Thomas of Lloyd Durham for their kind loan of their grounds for extra car parking space – really appreciated as always.

It's been great to get back to the regular Bingo, Coffee Morning and now twice-a-month Pub Nights. All are very welcome at these very sociable events. The village hall is also very pleased to be hosting the Macmillan Coffee Morning this month. Please do come along to any or all:

Fri 10 th Pub Night	19:00 – 22:00
Wed 15 th Coffee Morning	10:00 – 12:00
Mon 20 th Bingo	14:00 – 16:00
Fri 24 th Macmillan Coffee Morning	10:00 – 12:00
Fri 24 th Pub Night	19:00 – 22:00

Another date for your diary is Saturday 20th November when we shall be holding a Christmas Craft and Gift Fair. It's normally a very sociable affair (perhaps aided by the mulled wine?) so well worth an hour or so of your time.

The winners in August's monthly draw were; 1st prize of £23 to Jane Taylor, 2nd Sean Doran £15, and Jeff Hanley took the 3rd prize of £10. If you wish to join, please contact Alan Mason (Cartref, Heathfield Close – 711357)

With the 2021 trustees duly sworn in, we'll be looking to address many issues including those raised at the AGM. A particularly ambitious project, headed by Sean Doran is to produce a longer term plan for the village hall. In this, we'll set out how we will achieve the four goals: – a greener, environmentally positive building – a more appealing, flexible space – a hall that more residents want to use – a financially secure future. Sean will be

actively seeking input from as many areas as possible but if you'd like to become involved or find out more, please do contact him on HKVHBigPlan@gmail.com

Finally, a big thank you to High Kelling Society who, as part of their winding up operations, have donated £500 to the hall. These monies are earmarked to help fund village events when all feel safe to venture out!

HIGH KELLING SOCIETY - AGM 2021

The High Kelling Society AGM was held on Friday, 23 June 2021 at 2:15 pm at the Village Hall, High Kelling.

The Minutes of the last AGM held on 12 April 2019 were distributed. It was acknowledged that much has occurred in the interim and the last Minutes are now more or less an historical document. The minutes were proposed by John Kellas-Kelly, seconded by Gordon Lane, and signed by Brian Shaw.

Graham Harris distributed the Treasurer's Report showing a £6,000 balance and a discussion was held around distribution of funds. Proposals (see below) were accepted, but should Proposal 6 not materialise (placing a defibrillator in the HK phone box), it was agreed that the £1000 allocated would be added to the Poppy Club donation. The bank account will be maintained until all the funds are distributed. The Treasurer's Report was proposed by Lyn Morgan and seconded by Gordon Lane. The vote in favour was unanimous.

Brian Shaw presented his Chair Report highlighting events occurring for the HKS since the last AGM:

- The Macmillan Coffee Morning in 2019 raised £935
- Tresall Catering took over the lunches in November 2019 and provided a successful Christmas Lunch. However, due to dwindling numbers of attendees and the onset of Covid, the lunches stopped in early 2020.
- The 2020 AGM had to be postponed.
- The HKN Souvenir Edition, published in October 2019, celebrated 50 years of the High Kelling Society and News (1st issue published 1 October 1970). Thanks were given to Susan Ruru for its compilation.
- As a result of dwindling subscriptions, it was agreed to cease publication of the High Kelling News with the last issue distributed in December 2020. Discussions held with the Parish Council resulted in their agreeing to take over the publication of a new magazine, entitled the High Kelling Parish Chronicle, with HKS transferring the

balance of advertising funds to the Parish Council. Gordon Lane advised that the Parish Council will also take on the production of the High Kelling Directory.

- The HKS continues to maintain the area around the Village Sign, with members hoping to continue this on an ad hoc basis.
- The redundant printer, after various offers were refused, has now been returned to the copier supplier without any cost to the HKS.

Brian Shaw ended his report by thanking all current and past members of the committee, as well as everyone who over the years contributed to making the HKS and HKN an integral part of the village.

The Chair proposed that since the main functions of the HKS have now been disbanded, that the Society should be wound up and all serving officers to stand down. Proposed by Trisha Hickey, seconded by Oscar Haynes. Unanimous vote in favour.

As there was no other business, the Chair thanked everyone for attending and closed the meeting at 14:55.

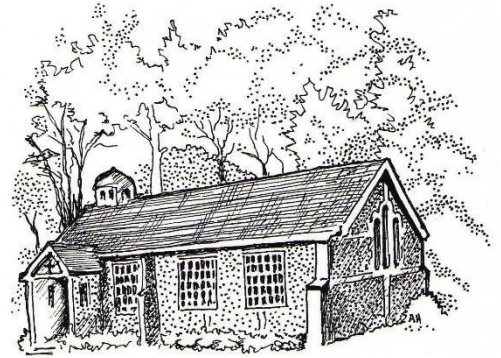

The agreed donations from funds from which residents will benefit are as follows:

- (1) Village Hall towards a post-COVID celebration: £500
- (2) HKPC to upkeep and planting at village sign: £500*
- (3) New Macmillan Centre at Cromer Hosp: £1000
- (4) Holt Poppy Club (Dementia Care & Support): £1000
- (5) Holt Medical Practice - 3 items of equipment: £2000
- (6) Supply HKPC with additional defibrillator: £1000.
If this does not materialise, donation added to (4)

Every moment is a fresh beginning.

Dear Friends,

As we slowly and cautiously learn to live with the Coronavirus, life is beginning to resemble some form of normality. Yet our world continues to be deeply troubled with violence, conflict and the consequences of climate change. While not wanting to under value some of the very real problems we face in our daily lives here in North Norfolk, we have to keep them in some sort of perspective and see the bigger picture. Many of our problems are what I call "1st world problems;" e.g., the recent shortage of chicken at Nando's or KFC! We enjoy a quality of life that others can only dream of and we cannot begin to imagine what is like to be displaced by violence, extreme weather, or natural disaster. I wonder how you view those seeking to enter our country as refugees, asylum seekers or economic migrants? Of course there are no easy answers to the mass migration of people in search of better and safer living conditions, but I have no doubt over the coming decades we will see the numbers increase. How are we to respond? Hopefully, with compassion and a desire to create a fairer more just world in which all people and cultures can be blessed with peace and plenty and exist in harmony with one another. A big ask, I know, but one that I pray for every day.

Kindest regards, Fr. Howard
